

# Exciting nanostructures: Characterizing advanced confined systems

Physikzentrum Bad Honnef, 21.07. - 26.07.2019

## List of confirmed participants

Amelot, Dylan	Institut des Nanosciences de Paris, France
Atwa Khalil, Dina	Nat. Institute of Laser, Cairo University, Egypt
Bessel, Patrick	Leibniz Universität Hannover, Germany
Buhani, Pascal	Carl v. Ossietzky University of Oldenburg, Germany
Bulavinets, Tetiana	Lviv Polytechnic National University, Ukraine
Busatto, Serena	Utrecht University, Netherlands
Chu, Audrey	INSP, France
Dai, Liwei	University of Hamburg, Germany
Decker, Helena	TU Dresden, Germany
Dong, Kaituo	Technion - Israel Institute of Technology, Israel
Dyagileva, Daria	National Research Nuclear University, Russia
Eren, Hamit	Technical University of Delft, The Netherlands
Friedrich, Daniel	Universität Würzburg, Germany
Galle, Tom	TU Dresden, Germany
Ghanim, Ali	University of Baghdad, Iraq
Greben, Michael	Charles University, Prague, Czech Republic
Greboval, Charlie	INSP, France
Gudjonsdottir, Solrun	Delft University of Technology, Netherlands
Hepperle, Philine	Physikalisch-Technische Bundesanstalt, Germany
Huang, Chia-Ching	University of Amsterdam, Netherlands
Hübner, Oskar	BAM Berlin, Germany
Işık, Furkan	UNAM, Bilkent University, Turkey
Italia, Valeria	Swansea University, Wales (UK)
Jana, Subha	ESPCI Paris, France
Jiang, Guocan	Technische Universität Dresden, Germany
Kalancha, Violetta	Universität Erlangen-Nürnberg, Germany
Kalenichenko, Daria	University of Reims Champagne-Ardenne, France
Kerschbaumer, Nicola	LMU Munich, Germany
Klepzig, Lars	Leibniz Universität Hannover, Germany
Kormilina, Tatiana	ITMO University, St. Petersburg, Russia
Krohn, Sonja	Fraunhofer-IAP (CAN), Germany
Kryukova, Irina	NRNU MEPhI Moscow, Russia
Kusterer, Roman	Universität Hamburg, Germany
La Rosa, Michelle	Carl v. Ossietzky University of Oldenburg, Germany
Laghlimi, Charaf	Faculty of Sci. & Tech. of Beni mellal, Mororco
Lesyuk, Rostyslav	Hamburg University, Germany
Li, Mengyao	Institut de Recerca en Energia de Catalunya, Spain
Meier, Jessica	University of Würzburg, Germany
Micheel, Mathias	Leibniz-IPHT Jena, Germany
Miropoltsev, Maksim	ITMO University, St. Petersburg, Russia
Moghaddam, Nicolas	ESPCI-LPEM, Paris, France
Muravitskaya, Alina	B.I.Stepanov Institute of Physics, Minsk, Belarus
Niemeyer, Max	Leibniz Universität Hannover, Germany
Ohlerth, Thorsten	RWTH Aachen University, Germany
Paul, Sharmistha	Ludwig-Maximilians-Universität München, Germany
Pertsch, Patrick	Universität Würzburg, Germany
Peter, Sophia	RWTH Aachen University, Germany
Polyudov, Katharina	MPI for solid state Research, Stuttgart, Germany

Pothuraju, Venkata Naga Sri Renuka Devi	Universita di Genova, Italy
Prudnikau, Anatol	TU Dresden, Germany
Qiang, Gang	TU Dortmund, Germany
Qu, Junling	Institut des Nanosciences de Paris, France
Quarta, Danila	CNR Nanotec, Italy
Quick, Michael	Technische Universität Berlin, Germany
Rebmann, Jannik	Universität Hamburg, Germany
Rieger, Sebastian	Ludwig-Maximilians-Universität München, Germany
Scavuzzo, Alessio	MPI for Solid State Research, Stuttgart, Germany
Schwarz, Maximilian	Universität Hamburg, Germany
Shabani, Farzan	Bilkent University, Turkey
Shupletsov, Leonid	University Erlangen-Nürnberg, Germany
Sibatov, Renat	Ulyanovsk State University, Russia
Sokolova, Anastasiia	ITMO University, Saint Petersburg, Russia
Taplick, Maria	University of Hamburg, Germany
Taychour, Bouchra	University Mohammed 5, Rabat, Morocco
Trotsiuk, Liudmila	National Academy of Sciences of Belarus
Valleix, Rodolphe	Institut de chimie de Clermont-Ferrand, France
Velosa, Filipe	Ghent University, Belgium
Vianez, Pedro	University of Cambridge, UK
Wang, Xiang	Institut de Recerca en Energia de Catalunya, Spain
Werners, Hans	Universität Hamburg, Germany
Wu, Wenkai	College of Engineering, Swansea University, UK
Xing, Congcong	Institut de Recerca en Energia de Catalunya, Spain
Yang, Dawei	Catalonia Institute for Energy Research, Spain
Zhang, Chaoqi	Catalonia Institute for Energy Research, Spain
Zvaigzne, Mariia	National Res. Nuclear University MEPhI, Russia
