

ACP 2009

**Asia Communications and Photonics
Conference and Exhibition**

2-6 November 2009 • Shanghai, China

Submit Your Paper Today.

Asia Communications and Photonics Conference and Exhibition

Formerly APOC and AOE now merged into one conference and exposition.

Conference: 2-6 November 2009

Exhibition: 4-6 November 2009

Everbright Convention & Exhibition Center

Shanghai, China

Submission Deadline: 9 June 2009, 12:00 p.m. Noon EDT (16.00 GMT)

Submit your paper today to be a part of Asia's premier conference and exhibition in the Pacific Rim for photonics technologies, including optical communications, biophotonics, displays, illumination and applications in energy.

Visit the ACP Web site for a complete listing of [topics](#) and [invited speakers](#) for each topic category.

Paper Topic Categories

- Passive Components and Fiber-Based Devices
- Optoelectronic Materials and Devices
- Optical Transmission Systems, Switching and Subsystems
- Network Architectures, Management and Applications
- Optical Sensors and Biophotonics
- Display, Solid-State Lighting, Photovoltaics and Optoelectronics in Energy

Technical Program Chairs

Weisheng Hu, Shanghai Jiao Tong Univ., China

Ming-Jun Li, Corning Inc., USA

Dennis Matthews, Univ. of California at Davis, USA

Visit acp-ce.org for the complete list of ACP committee members.

The ACP proceedings will be published in the [SPIE Digital Library](#), [IEEE Xplore Digital Library](#) and [OSA's OpticsInfoBase](#). Your paper will be archived and indexed by INSPEC® and Ei Compendex, where it will be available to the international technical community. All authors of accepted papers are expected to submit full manuscript for publication in the conference proceedings.
