

ICE

15th International Conference on Concurrent Enterprising  
Leiden - The Netherlands, 22-24 June 2009

2009

## **ICE 2009 – PROGRAMME**

### **“Collaborative Innovation: Emerging Technologies, Environments and Communities”**

*A joint conference with:*

**IEEE - TMC Europe 2009**

**ENOLL**

**Dutch Living Lab**

**IFIP/IFAC ICEIMT 2009 Series**

**IMS**

**ICEIMT'09**

*Leiden/Noordwijk, The Netherlands  
22-24 June 2009*

<http://www.ice-conference.org>

*“ICE09 will be hosted at **Huis Ter Duin**, a prominent conference centre in a splendid environment at the Dutch beach, just next to ESA, co-host of 2009 edition”*

#### **ICE'09 Programme is now available**

This premier event will feature delegates from all over the world, brings and fosters to connect together many different communities and give them an opportunity to share and debate on the latest insights, knowledge and experience in the world concurrent enterprising and collaborative innovations whether on organizations, systems, engineering, education, research, development and applications.

Do not miss this unique opportunity to network, develop and grow partnerships!

#### **PROGRAMME**

**Day 1** will feature the presentation of 48 papers in parallel tracks. More than a decade of papers is selected for a Poster presentation. The presentations will give insight to the latest findings from R&D in CE, Collaborative Working Environments & Living Labs.

Day1 will be introduced by prominent Keynote Speakers, in particular **Mr Bror Salmelin** and **Dr Erastos Filos, DG Information and Media, European Commission**. Other keynotes from the industry to be expected are from **Prof.dr.ir. Elke den Ouden** – Manager Product Innovation at **Philips**, **Drs. Lineke Sneller** – Director at **Tele2**, **Dr. Guido Petit** - Director of Alcatel-Lucent

Technical Academy (**ALTA**) and Chief Scientist Officer (CSO) at Alcatel-Lucent Bell Laboratories (**Bell Labs**). And we expect a keynote from **Dutch Government** to be announced on the web.

The sessions' main tracks on Day 1 are:

- Methods and Tools for Innovation management
- LivingLabs: Cases
- Collaborative Environments and Systems
- Networked Organisations
- Advances in Concurrent Engineering

**Day 2 and Day 3** are featuring invited and special sessions as well as workshops, training and demonstrations. Invited and special sessions are dedicated to the presentation of scientific papers while workshops aim to bring together users and experts in interactive sessions for elaborating specific topics (please refer to website for detailed workshops agendas).

Track 1: Living Lab

Track 2: IEEE Technology Management Council

Track 3: INTEROP - Enterprise Interoperability

Track 4: IMS - Digital Factory:

Track 5: SatNav Downstream Service Innovation

Track 6: CE Concurrent Engineering

Track 7: Collaboration

Day3 will propose a visit at Space Expo at ESA, and a Keynote speech of **Mr Michel Courtois, director of ESA-Estec NL**.

The "**ICE2009 Final Programme**" is now available for downloading, feel free to disseminate it to your colleagues and contacts that could be interested to join this valuable event.

As a participant, you can enjoy the early bird discount for this enriching three-day conference and workshops if you sign up before 30 April 2009. You can sign up using an all-in-one package, or just for day if you so wish, or you may pick, chose and assemble your own conference pack. And aside of the well-known early bird discount, we also have a tombola this year. For those who indeed sign-up early, there is an additional chance to win a free room upgrade. From all those that register before April 30<sup>th</sup> 2009, two registrants will be drawn. So this is your chance to have yourself two birds at once.

We welcome you to attend the conference and look forward to seeing you at ICE 2009 this June!

### **ICE'09 Executive Committee:**

#### ***Conference chair:***

**Robert Bierwolf**, IEEE – TeMC Benelux Chapter, The Netherlands

#### ***Co-chairs:***

**Bernhard Katzy**, CeTIM, The Netherlands

**Massimo Bandecchi**, ESA, The Netherlands

**Ricardo Goncalves**, UNINOVA, Portugal

**Claudio Boer**, IMS, Switzerland

### **ICE'09 Local Organising Committee:**

**Chair: Robert Bierwolf**, IEEE - TMC Benelux Chapter, NL

**Irene Nooren**, LIACS University Leiden, NL

**Niels Eldering**, ESA, NL

**Luca Canetta**, IMS, Switzerland

**Frances Fortuin**, Wageningen UR, NL

**Wim Smits**, Polytechnic University Leiden, NL

**Wouter Mensik**, Living Lab Leiden, NL

**Jan-Marc Verlinden**, Living Lab Leiden, NL

**Maarten van der Plas**, City of Leiden, NL

### **ICE'09 Conference Secretariat:**

The administrative and registration matters are handled by the Conference Secretariat. Please direct all requests to address as below:

ICE-Conference Secretariat
