## 2013 International Conference on Materials Science and Chemical Engineering (MSCE 2013)

February 20-21, 2013, Singapore

<http://www.msce-conf.org>

2013 International Conference on Materials Science and Chemical Engineering (MSCE 2013) will be held on February 20-21, 2013, Singapore.

MSCE 2013 will be the most comprehensive Conference focused on the various aspects of advances in Materials Science and Chemical Engineering. Our Conference provides a chance for academic and industry professionals to discuss recent progress in the area of Materials Science and Chemical Engineering. The goal of this Conference is to bring together the researchers from academia and industry as well as practitioners to share ideas, problems and solutions relating to the Materials Science and Chemical Engineering.

MSCE 2013 has entered TTP's Conference list: <http://www.scientific.net/conference-742>

All accepted papers from MSCE 2013 will also be published on international journal **Advanced Materials Research** and will be indexed in **EI Compendex**. Selected excellent papers will be published on international reputation journals.
