

Dear Members of the DPG Division of Magnetism,

Same procedure as every year: As Chair of the Division of Magnetism I am collecting proposals for **invited or topical talks** and **focus sessions** for the upcoming DPG Spring Meeting in Dresden (March 15-20, 2020). Detailed and easy-to-follow guidelines for the preparation of proposals are available here: www.dpg-physik.de/vereinigungen/fachlich/skm/fvma/veranstaltungen/sitzungen-und-sprecher-vorschlagen-dpg-tagung#Inv-FS. Alternatively, google the webpage of the Division of Magnetism and look up "events -- proposing sessions..."

Please send proposals to me (manfred.fiebig@mat.ethz.ch) by **September 30, 2019**. I will compile a list of all suggestions on which you will have the opportunity to vote afterwards. Competition is tough, so that a complete proposal (see guidelines) will increase chances of approval.

Also, please keep in mind the Dissertation Prize of the Condensed Matter Section ("SKM-Dissertationspreis"): The deadline for nominations is September 15, 2019. See the information on the DPG home page ("Awards -- Aktuelle Ausschreibungen – Preise der DPG-Vereinigungen").

Thank you very much for your support.

Manfred Fiebig
