Dear members of the Division of Magnetism,

Now that the conference in DPG meeting in Dresden has unfortunately been cancelled, I am sure many of you have questions about how we want to deal with the situation. Here are the some important points in brief.

1: Only the head office provides binding information on issues such as reimbursement of travel expenses, award ceremonies and the like. Please refrain from sending e-mails wherever possible. Take a look at the FAQ pages of the head office, which are continuously updated:
www.dpg-physik.de/veroeffentlichungen/aktuell/2020/dpg-fruehjahrstagungen-2020-abgesagt?set_language=en

2: We will have a general assembly of the Division of Magnetism that will be conducted online by Zoom in the next couple of weeks. At the meeting, we will hand over MA leadership from Manfred Fiebig to Heiko Wende and we have to elect a new deputy speaker. We will furthermore discuss a variety of divisional issues resulting from the cancellation of this year's meeting. Information on the time and agenda of the assembly will follow.

3. Some divisions will launch a trial with online sessions as a replacement for the cancelled meeting. For MA, Heiko Wende and myself decided against doing this. Further explanations on this will be given during the general assembly.

Thank you and best regards

Heiko Wende, Manfred Fiebig
(Chairs of the MA division)
